Percent satisfied with social and physical environment	100.0%	95.3%	98.6%
Percent satisfied with school-home relations	100.0%	88.8%	91.8%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

2010-2011 was a year of excitement and change for Lake Murray Elementary School. Our school year began with Rocky Creek Elementary School students housed on the LMES campus. Our administrative team looked a little different, too, this year, with Mrs. McCray as assistant administrator and, of course, with me as your new principal. After RCES students and staff moved into their new school in January, everyone at our school began to examine our goals and our vision for the future. Through this transition, we adopted new mission, vision and belief statements.

We also began developing a leadership model to promote citizenship with our students. Teachers completed book studies. We invited parents to workshops where they could gather ideas and information about the types of learners we want our students to be. Our focus of "Anchored in Leadership...Anchored in Learning" is a theme we look forward to developing and carrying out throughout the school.

LMES continues to achieve, earning "excellent absolute" and "improvement" ratings on the state-generated annual school report card. We also, once again, met Adequate Yearly Progress and received a Palmetto Gold Award.

Many wonderful activities have taken place at Lake Murray this year, including fundraising for Jump Rope for Heart, Relay For Life and PattyPacks. Our students and staff made care packages for soldiers and for families who have loved ones with congenital heart disease. Community activities included Family Reading Night, Family Math Night, Murrayfest and much more.

Our challenges for next year include ensuring that students are maximizing their potential and are achieving to the highest of their ability. Through a continued focus on higher-order thinking skills and problem-based learning, and a renewed commitment to writing, we expect to see our students flourish. As the world evolves, we must stay in tune with 21st century learning techniques that help each and every child maximize his or her academic success.

Exciting things await the students, staff and families of Lake Murray Elementary. We ask you to join us on this adventure, and we thank you for all the support you have already offered throughout the year.

Devona L. Price, Principal
Ed Pearce, School Improvement Chair
